

Volador VX3.5 Custom

3.5 inch first person view quadcopter · custom assembled

Doc ref
UAS-SN-D93VXW2332

AIRFRAME SERIAL NUMBER

D93VXW2332

Permanently marked on the underside of the airframe

Serial number D93VXW2332 as marked on the underside centre plate of the aircraft

Aircraft model	FlyFishRC Volador VX3.5 (custom build)
Serial number	D93VXW2332
Operator	Shahzeb Ali
Takeoff weight	0.35 kg
Date	11 / 06 / 2026

As this unmanned aircraft was custom assembled rather than supplied as a finished product, the serial number above was applied to the airframe by the operator and is used to identify the aircraft for registration. The number is permanently marked on the underside of the frame, as shown in the photograph.
